SCARLET "S"

1956

UP GOES THE BIG TOP . . .

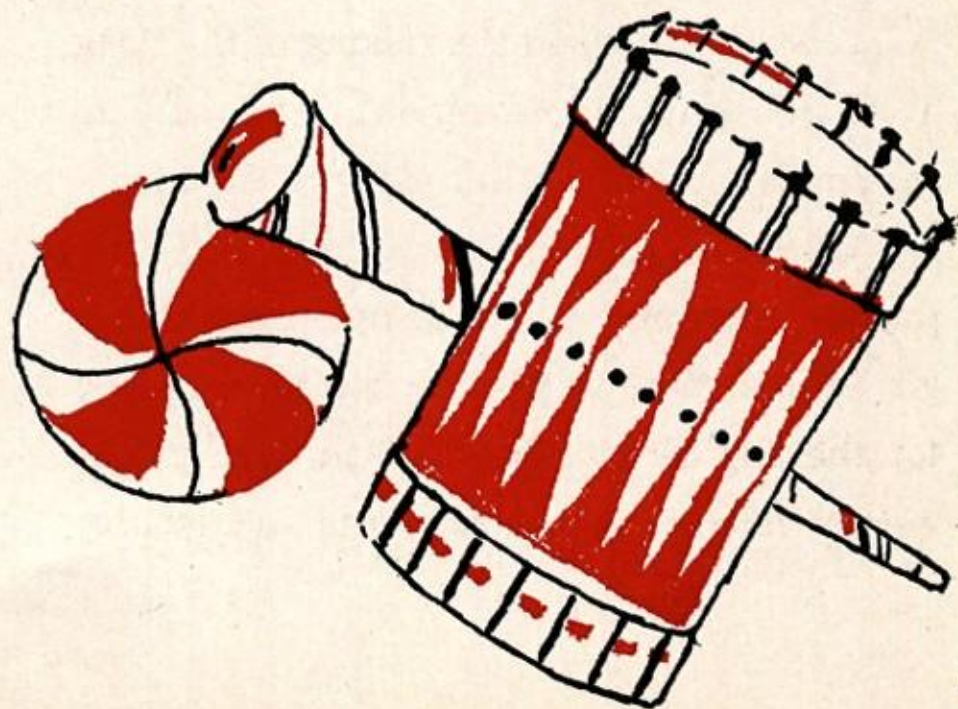

In the circus world the raising of the "Big Top" is a great achievement, especially to the small fry who gather early in the morning at the circus grounds to watch elephants, tractors, men, and machines struggle against time to put the big top in place for the Big Show. Just so—in our "circus world" in Shelby, the students and faculty

members arrive early to start the day's work—180 days of the school year—in order to get the show on the road. Our big top is here permanently but the stars arrive by foot, by bicycle, by bus, by auto to take part in the biggest show in the life of a young person of our community.

Our plan for the 1956 edition of the SCARLET S is to present the life of Shelby High School in pictures and stories with a circus background used as a theme. We will name the students as stars, the faculty members as trainers, the administrators as ringmasters and equestrian directors; we will present the many activities that have been attractive to the stars. Also, just as the circus program is sponsored by many advertisers, we of the SCARLET S are backed by many local manufacturers and merchants, those people who believe in our "circus world" and stand ready to help us.

Just a few of the thirteen buses owned by Shelby Schools to transport pupils to the "scene" of the Big Show.

THE STARS ARRIVE AND . . .

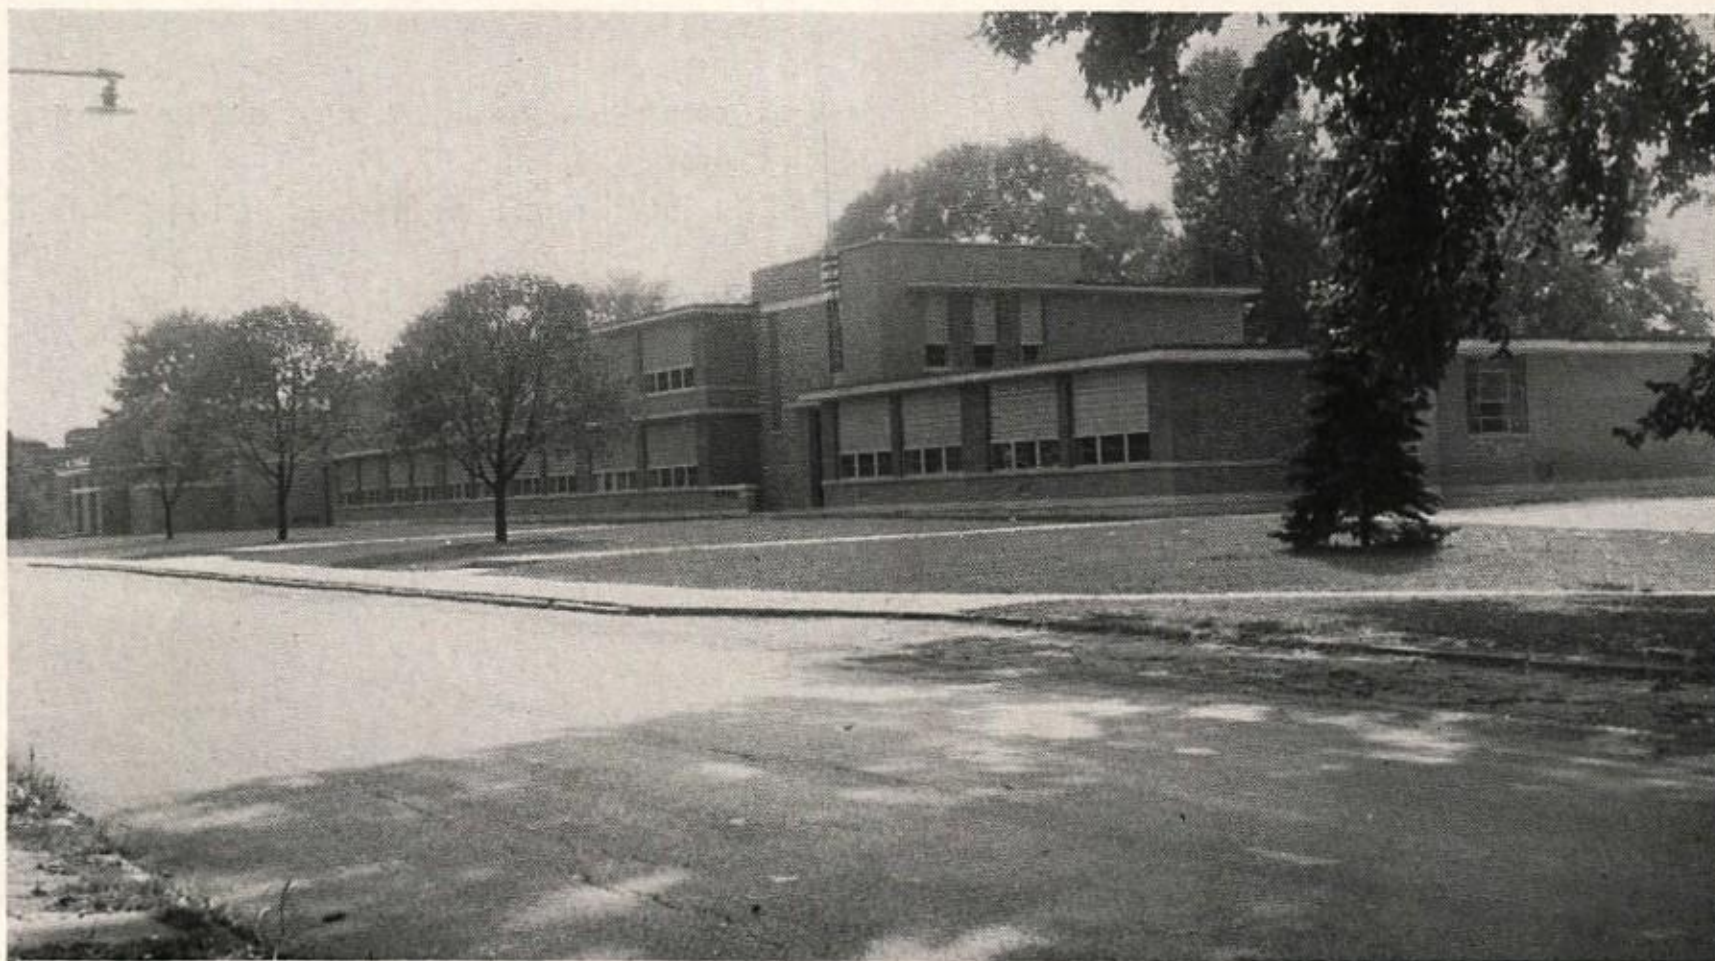

Perhaps a bit congested The Stars on the East Stairs are going from one "performance" to another, in other words changing classes.

Our Stars in one of their classes . . . learning laws of "rock and roll" . . . a la Physics.

. . . THEY TAKE PART IN ACTIVITIES

A view of the Central School and the Central Gym where the stars perform in gym classes and basketball contests.

PROGRAMME OF EVENTS . . .

DEDICATION—In Honor of Our Parents!

For the past several years it has been the privilege of the annual staff to honor a member of the faculty or a member of the board of education by dedicating the yearbook to this individual. This year we—the *editors*, *business manager* and the *staff members* of the Scarlet S—want to depart from custom of the past and honor individuals who have meant a great deal to each and every one of us. They have cared for us in childhood; they took us to school on the first day; they lis-

tened to all our problems and stories; they have sacrificed to give us an education. They—yes you have guessed—are OUR PARENTS.

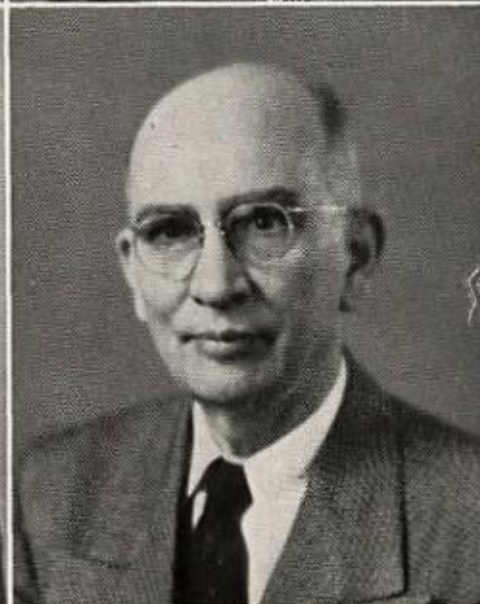

We would like to *dedicate to you, our parents*, this 1956 edition of the Scarlet S. We are sure you will realize that it would have been impossible for us to obtain a fitting picture for this type of dedication. Therefore, we are permitting words to speak for us and are omitting a picture. We trust that in this manner we can express our gratitude.

BOARD OF DIRECTORS

The Board of Directors for Shelby "Circus" are elected by the citizens of the city and school district. Serving as President for the year 1955 was Mr. Wayne Carleton. Mr. Arthur Love has served on the board for 10 years and retired from these duties on December 31, 1955. His place was taken by Mr. Leonard Waines who was elected in November, 1954. Other members are Mr. Reymer Bricker, Mr. E. Paul Curry, and Dr. E. W. Dowds. Mr. Sanford Weaver serves as Clerk of the Board.

Very capable of handling the job of Superintendent of Shelby City Schools, is Bryon Carmean. He also provides proper buildings, playgrounds and facilities for elementary and high school education. Through his constant search, he is able to select the educated trainers (teachers) for our accomplished stars (students). Mr. Carmean deserves much credit for his work because there isn't another person who can perform his duty as well as he.

For thirteen years Mr. Larry Swackhamer guided young high school students in the various phases of work in the industrial arts classes as well as directing their activities in athletic contests and events. During those thirteen years he served on the faculty of Shelby High School, the hundreds of young men who knew him and

worked for him will never forget the encouragement he gave them. Last year Mr. Swackhamer aided the elementary principals and teachers in Shelby Schools to plan a physical education program for elementary school children.

Mr. Swackhamer passed away in Shelby on June 30, 1955.

To keep the buildings and campus in top condition—to keep the buildings, the rooms and corridors in a trim condition at all times—to keep the rooms warm during the entire school year—these are a few of the duties and responsibilities of the Maintenance Personnel. They are supervised by Mr. Earl Brissell, head custodian. His assistants include Mr. A. V. Fair (working the late afternoon and evening shift); Mr. Dale Sifferlin, Mr. Stanley Weaver, and Mr. William Brissell, (morning and early afternoon assistants).

Shelby High School is always in neat and trim condition. The Stars and Trainers have appreciated the manner in which the Maintenance Personnel have taken care of the building and grounds surrounding the school.

BOYS' STATE AND GIRLS' STATE

Each year two girls are selected by the teachers to represent Shelby at Buckeye Girls' State. This year the girls chosen were Beth Crum and Sara Seaman.

These representatives attended Girls' State from June 18 to 26. The youth government conference was held at Capital University in Bexley, Ohio.

Beth was elected county coroner and Sara served as president of the city council.

During the week the girls attended many lectures on governmental organization and functioning. They heard speeches given by Frank Lausche, Carl Weygandt, Chief Justice, and Jim Dowd, governor of Buckeye Boys' State.

Also each year six boys are chosen to attend Buckeye Boys' State. This year the boys were Gary Kocher, Marlin Minich, Larry Simpson, Pat Winans, Ed Randall, and Don Thurman. Tom Laser, a new student to Shelby this year, also attended representing Shiloh.

Buckeye Boys' State was held from June 10 to 19 at Camp Perry, Port Clinton, Ohio.

During the week the boys set up a mock state government, electing state, county, and city officers. All the boys held an office.

The boys also were instructed in governmental procedures and heard many fine speeches. They heard speeches by Governor Lausche, Lt. Governor Brown, a West Point Cadet, and many others.

Operation Youth was held June 11 to 19 at Xavier University in Cincinnati. Shelby's representatives were Tom Arntz and Jim Murtha.

Operation Youth was formed on the basis of a city government. A mayor and five councilmen were elected.

The boys heard speeches by Mike DiSalle, former head of the O P S and George Ratteman, quarterback for the Cleveland Browns.

While at Operation Youth the boys attended a meeting of the Cincinnati city council and took a tour of the city.

TRI-HI-Y

The Shelby Tri-Hi-Y was organized during the earlier months of the school year. This organization is based on the principle to create, maintain, and extend high standards of Christian character throughout the home, school and community.

Being affiliated with the YMCA, the Tri-Hi-Y has taken active part in various services that are extended to Shelby and has done much to promote these services. The group has a membership enrollment of 94 girls who are in the sophomore, junior and senior

classes. Committees in the group include the social, service, membership, devotional, ways and means, entertainment and publicity. Each group is directed by a chairman. Each member can be active in any or all of these committees. The officers are, President—Sharon Heineking, Vice-President—Carol Doty, Secretary—Carolyn Reidel, Treasurer—Alice Laser and Chaplain—Margaret Kime. The advisors to the group are: Beverly Brobeck, Elizabeth Karr, Esther Smith, Mrs. Franklin Kocher and James Shepherd.

These are the various concerts by the choir and the band, the school plays, baccalaureate, and commencement. It is the duty of the usher to help visitors find their seats and to help make them comfortable during the concert or performance.

At the beginning of the school year, one of the senior girls is selected as Head Usher. Judy Troxell served in this duty for the year 1955-1956.

There are several ways by which a student may become a member of the Shelby High Thespian Club which is a member of the National Thespian Society. A student may take part in a class or school play, he may work as a member of the stage crew, he may paint posters, or he may work on make-up and costuming. To join the Club the student must have earned ten points which are based on the number of lines that an actor has in a play or the number of hours spent in "back-stage" work.

Each year the Club holds a formal initiation for the new members. This is usually

held in May. Also the Club sponsors an annual square dance and cake walk. The money earned is used to finance a trip to Cleveland or Columbus to see a professional performance. In addition to the two class plays an all-school play is given by members of the Thespian Club.

The officers of the Club are:

President	Don Thurman
Vice-President	Ed Randall
Secretary	Marjorie Mathews
Treasurer	David Ott
Advisor	Mr. Keiser

Three Act Play, "HIGHGROUND"

Suzy Heckel and Eileen Metzger in one of their outstanding scenes from "Highground." The cast gave two performances on the nights of April 28 and 29, 1955. Very well received, "Highground" is considered one of the best plays ever to be given at Shelby High.

Left to right: Anne Giller, Carol Doty, Susan Heckel, and Eileen Bilka.

NINE GIRLS

The mystery drama "Nine Girls" was presented on November 17 and 18 by an all girl cast. Although it was sponsored by the Junior Class, students from the upper four grades took part in the play.

Taking place in a sorority club house in the Sierra-Nevada mountains, the play told the story of the conflict among nine sorority sisters and the treacherous means one of them used to obtain what she thought would be security and happiness.

Susan Heckel played the part of Mary, who murdered one of her best friends, Paula, because she felt Paula was stealing her boyfriend. No one suspected Mary for she was a very likeable person. Her best friend, Eve, (Carol Doty) believed in her until the very end when Mary attempted to kill her also.

"Nine Girls" was well received by the audiences and as the curtain closed on the final performance Mr. Keiser added another hit to his already long list of fine productions.

Others in the cast were Anne Giller—Jane, Eileen Bilka—Sharon, Sue Nothacker—Alice, Diane Clabaugh—Frieda, Linda Boudinot—Shotpup, Linda Lewis—Shirley, and Mary Milliron—Tennessee.

BIOLOGY CLUB

The Biology Club, entering its second year of activities, started its program this year with a field trip to Mohican State Park. The Club has also taken a field trip to Apple Creek State Hospital near Wooster.

The Club was organized two years ago by Miss Harryet Snyder, biology instructor. Under her supervision students interested in science and in particular biological areas were given an opportunity to pursue their interests even when they were no longer taking biology in school.

Meeting regularly throughout the school year on Monday and Thursday nights, the members formulated plans for their project work and also continued their laboratory work.

The Club was able to secure several speakers for their monthly business meetings.

The following members completed projects which were taken to Bowling Green State University for the annual science day activities: Bill Lowery, the club president; Ruth Stout, Sue Clevenger, Leona Martin, Carolyn Reidel, Nancy Hunt, Judy Keller, Sonia Harrer, Anne Giller, Joe Bonecutter, Alice Law, Shirley Spangler, Nancy McLaughlin, Eric Morse, Lowell Jarrell, Judy Troxell, Elizabeth Waines, Barbara Maley, Fred Lightfoot, Gary Kocher, Susan Heckel, Francis Jeffries, John Gaddis, Joan Yosick, and Margaret Kime.

THE WHIPPET TALES

School Newspaper

The Whippet Tales has been in circulation for three years. It began in April, 1954 with three mimeographed issues printed by the Shelby Printing Service. Eight issues were printed this school year with a publication coming out every month except January.

The staff has worked hard on each issue. First, the articles were written by reporters and then given to the editors who checked them before Miss Bowman received them. Miss Bowman, faculty advisor, would give the articles to the typist after she had ap-

proved the articles. The articles were then sent to the printer. When they returned the paper was assembled by the staff. This copy was sent to the printer who set up and printed the dummy. When the dummy was approved by the staff the paper was ready for publication and the distribution staff handled the sales. It was quite a bit of work but after the finished product was seen and appreciated by the students and faculty the staff felt it was well worth the effort.

The Staff includes:

News Editor	Eileen Bilka
Feature Editor	Sharon Heineking
Club News Editor	Anne Giller
Sports Editor	John Seltzer
Business Manager	Janet Copeland

ANNUAL

The Editorial Staff of the Scarlet "S" began their activities soon after the beginning of the fall term. They met often during the school year to mount pictures, write articles, read, copy, and organize the various sections of the annual for publishing. They soon learned co-operation is the main factor in the efficient production of a yearbook. After many nights of work the finished product is achieved.

GLEE CLUB

WHIPPET MARCHING BAND

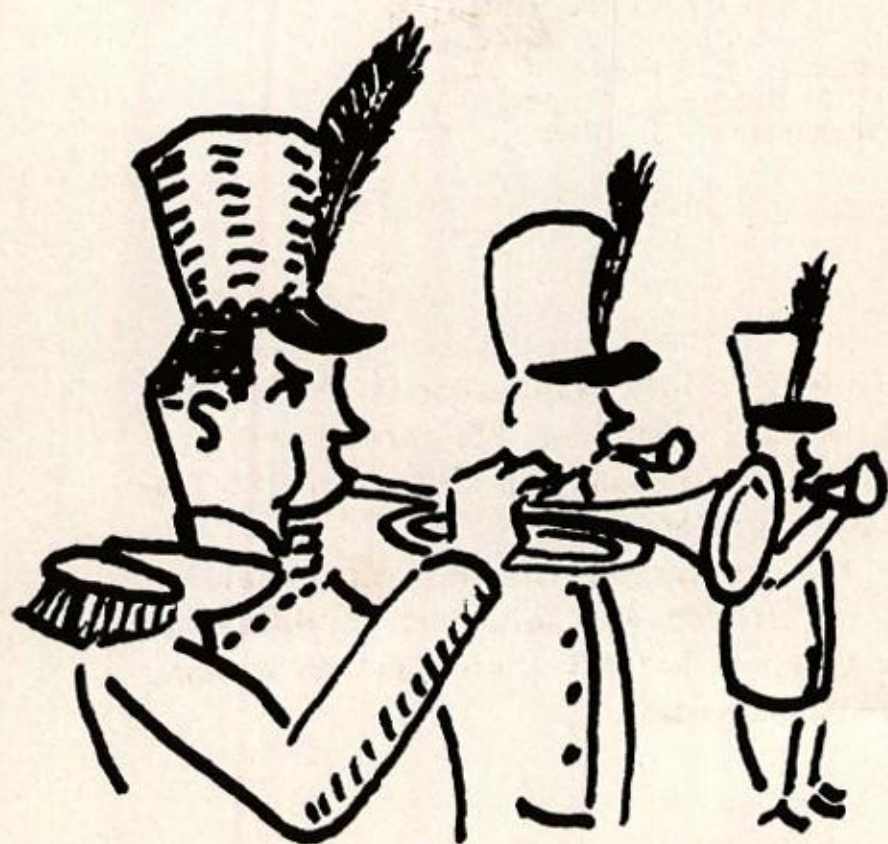

"As the legs lift high and the yards go by."

"Let's go!" As this phrase is heard, all eyes are turned toward the end zone of the football field in time to see the Whippet Marching Band maneuver its way onto the field. Following a four minute drill, the stadium is darkened for the black-light scene representing the evening's theme.

Presenting a complicated half-time performance at each of the season's nine football games requires long, hard practices, but to each of the 104 members the personal satisfaction is great.

As marching season comes to a close, the band settles down to the rigorous training which results in our outstanding concert band.

Each member of the band spends time outside of band practicing his music for the contests, concerts, and other performances.

During the year the band makes approxi-

mately forty public appearances. At the end of the school year the accomplishments of the band are brought to a close with the Annual Spring Concert.

Mr. Dwight Somerville and his assistants, Mr. Paul Braden and Mr. Carl Whitacre are to be commended for their part in making this band successful.

The Pride Of Junior High — THE BAND

Our Junior Band this year has, as usual, given many excellent performances, not only on the football field but in concerts as well.

When the one hundred-six members combine their talents, the result is a fine expres-

sion of music and proof of the hard work and effort put forth by themselves and their director, Paul Braden.

Their activities for the year include marching at Reserve football games, parades, and playing in the Annual Spring Concert.

TWIRLERS OF OUR BAND

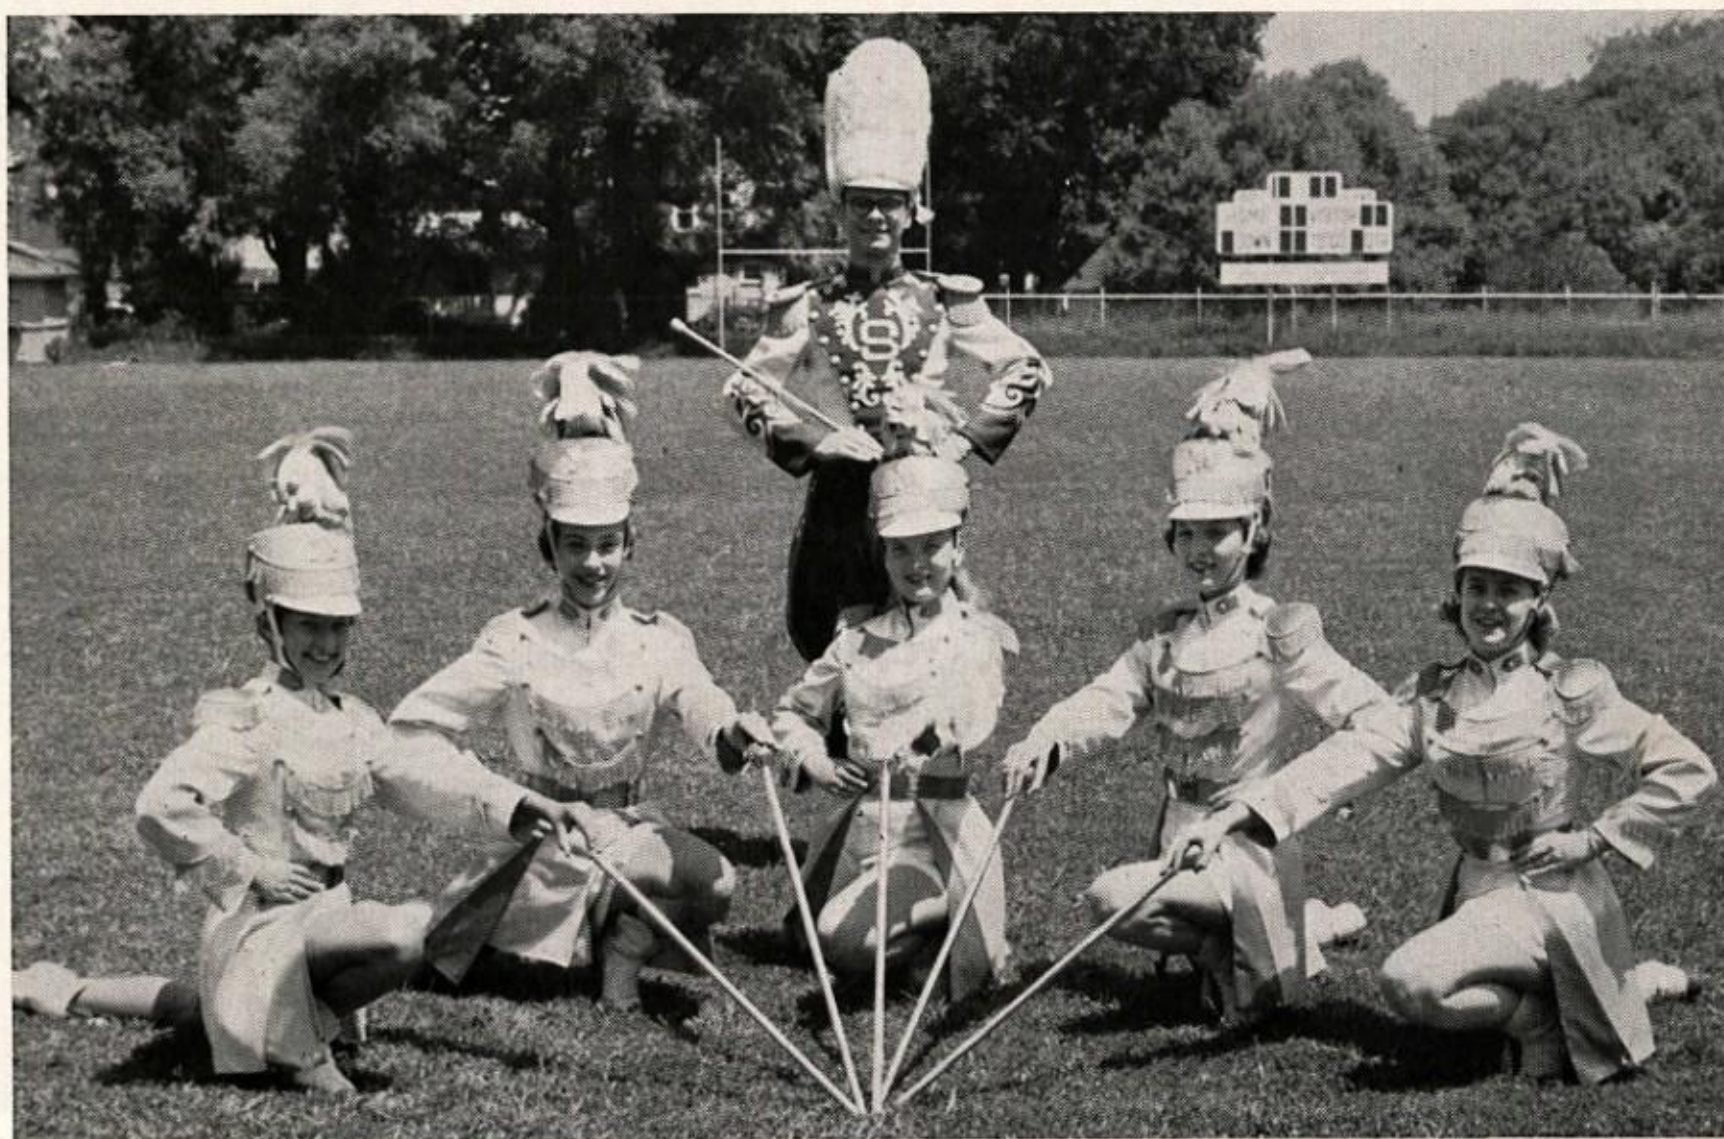

At every football game the Whippet Band was led onto the field by its head drum major, Gary Kocher. He has held this position for three years and should be congratulated for a job well done.

Gary is assisted, for the first time in our band's history, by a head-majorette, Betty

Crall. A corps of four majorettes help add to the beauty and precision of the organization. These girls are Nancy Jones, Marlene Shedenhelm, Sonia Harrer, and Nancy Williams. These girls work very hard each week during the football season to present a half-time program.

Kneeling: Nancy Williams, Betty Crall, Sonia Harrer, Marlene Shedenhelm, Nancy Jones.

INSTRUMENTAL AND VOCAL EMSEMBLES

A number of students who are members of the senior band, the choir, and the girls' glee club participated in the district contest held at Mt. Vernon, Ohio, on Saturday, March 3. This contest is held annually and is sponsored by the music department of the State Department of Education.

INSTRUMENTAL AND VOCAL ENSEMBLES

The Melody Trio composed of Reeda Slone, Karen Whiteman, and Sandra Perry — all juniors — was one of the outstanding ensembles for this school year. Each member arranges her own part in the songs to harmonize with the other members of the group. They did not use an accompanist. They have appeared at many club groups meeting in Shelby and have also sung for school programs. They have been singing together for the past two years.

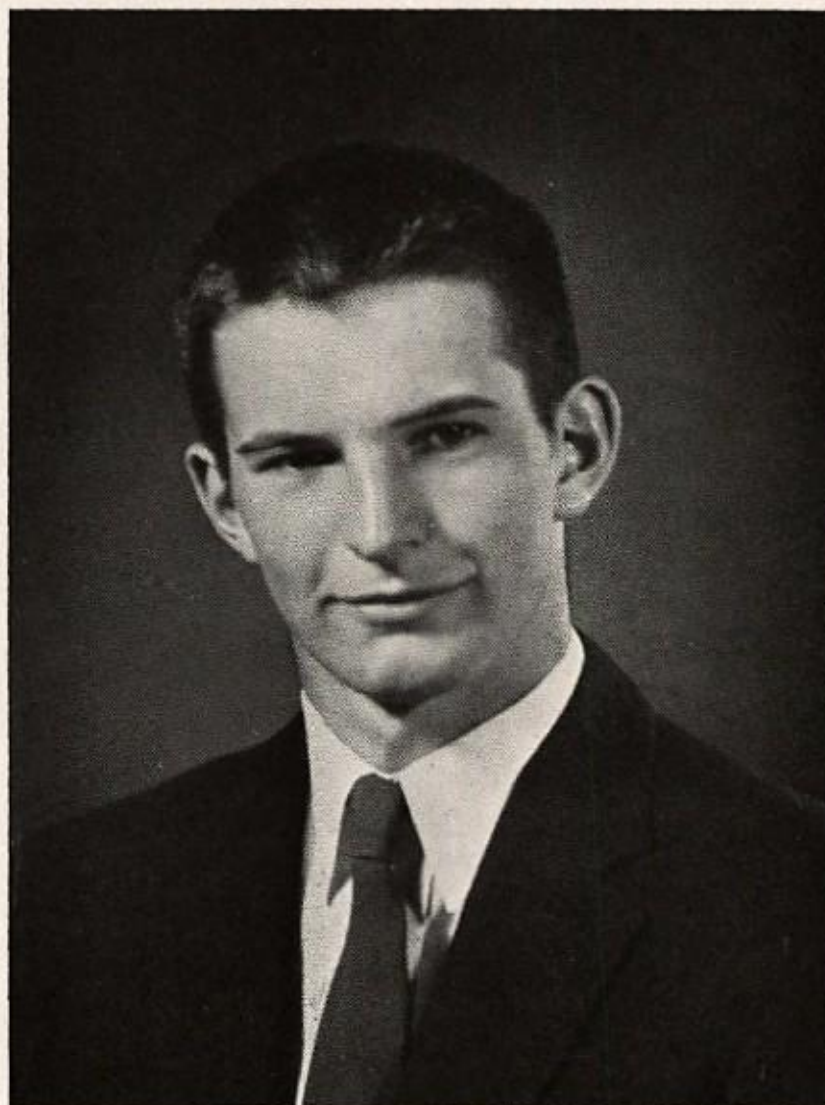

The Harmonette Sextet — composed of six senior girls — and their accompanist have been singing together for the past five years. During this time only two of the original members have been replaced.

Regular practices once a week were held and more are held as the occasion demanded.

This group holds the highest performance record of any ensemble group for the school. Mr. Paul Braden has served as director for the sextet. At the district and state contests this ensemble has received superior ratings time and time again.

The members are: Sally Query, Eileen Metzger, Sharon Heineking, Nancy Jones, Eileen Bilka, and Marsha St. John. Sue Thompson is the accompanist and also arranged many of the numbers. Sally Query composed several poems and musical arrangements have been perfected for the group by Sue Thompson.

ATHLETIC "A" AWARD

JOE WILDMAN

A committee of teachers, coaches, and junior varsity members chose JOE WILDMAN to receive the 1956 Outstanding Athlete's Award.

Besides being an outstanding athlete, Joe has been popular among his classmates but more popular among his teammates because of his initiative and superior athletic ability. During his freshmen days he played on the reserve football squad and moved to the varsity in his sophomore year to begin his three years of outstanding varsity play.

Joe served very well as co-captain during his senior year. He was named for the Northern Ohio All League First Team during both his junior and senior years. The Junior Chamber of Commerce of Ohio selected Joe for the guard position on the All-Ohio team.

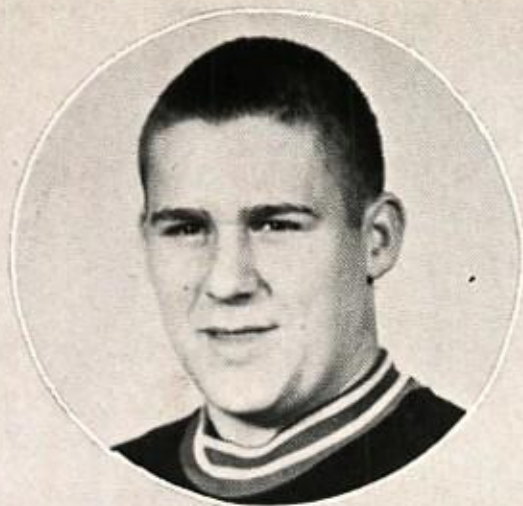

Joe has played basketball for four years—two of these on the reserve squad and the remaining two on the varsity. He has also played varsity baseball for four years and has turned in excellent performances each year.

During his junior year Joe was named president of the class and served capably in that position. He has also participated in the Student Council and the "S" Club. He is a member of the senior class executive committee.

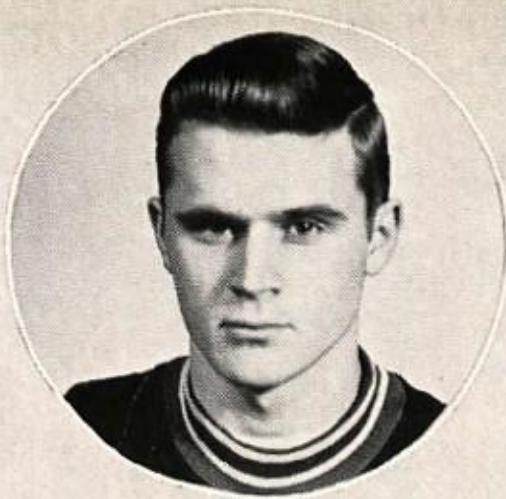

Joe is to be congratulated not only for this outstanding honor but also for the high degree of scholarship and sportsmanship he has maintained during his high school career.

RESERVE FOOTBALL SQUAD

The 1955 edition of the Junior Varsity football team had another excellent season playing games, winning and tying one. This is one of the best records ever compiled by a reserve squad.

This years squad was so large that the fellows in the ninth grade were put on a separate team. This team, under the direction of Howard Plocher, played four games, winning 1 while dropping three.

Mr. Robb and Mr. Plocher deserve much praise for their fine job in building future Whippet teams.

EIGHTH GRADE FOOTBALL TEAM

Eighth graders were an energetic group as they learned the fundamentals of the art of football. About 35 young lads faithfully followed the instructions of Mr. Don Monn, coach of this team. They reported for practice four nights a week during the football season; they suffered aches and pains like the varsity members; but they remained true to their desire to endeavor to be high school football players.

The eighth graders were as enthusiastic in their games as the varsity and reserve teams of the high school.

The results of the season were two wins and two losses. They began the season with the wins but they seemed to run into stronger opponents for the final games.

The 1955 track team had its best season in many years. The team, after building up strength during the beginning of the season, came through with its first League Championship since the spring of 1952. After the League Meet, the team won the Wooster Invitational Night Relays and the Upper Sandusky Night Relays. These last two victories climaxed a very successful season. Duane Emerson, the team's outstanding discus man, won the District meet at Mansfield and placed fifth in the State meet at Columbus. Tom Arntz was high point man for the team with 70½ points. The team had a sensational record in dual meets, losing only one meet in the last three seasons. Coach Roger Copeland should have another strong team this year. We hope they retain last year's honors.

TOURNAMENT

Shelby.... 78	Mansfield68
Shelby.... 89	Galion63
Shelby.... 82	Marion Harding65
Shelby.... 66	St. Mary's75

The 1955-56 basketball season for the Whippets was as colorful and exciting as any athletic contests in the history of Shelby High. Twenty-five years is a long time to wait to have an opportunity to advance to the district competition in the annual tournament arranged by the Ohio State High School Athletic Association. Shelby's tall and talented basketball team did just that. Not since 1931 had a Shelby team won a sectional tournament and represented this section in district play. But VICTORY is certain to those who work and wait.

In the 8-team sectional held at Marion (and Mansfield), the Whippets were matched against a rival of many years in the very first game. This rival was the Mansfield Tiger team. In an exciting game Shelby pulled out in front and won by the score of 78 to 68. In the second game Shelby soundly defeated the Galion Tigers and then met the Presidents of Marion Harding. This was Saturday night — March 3 — and again the Whippets

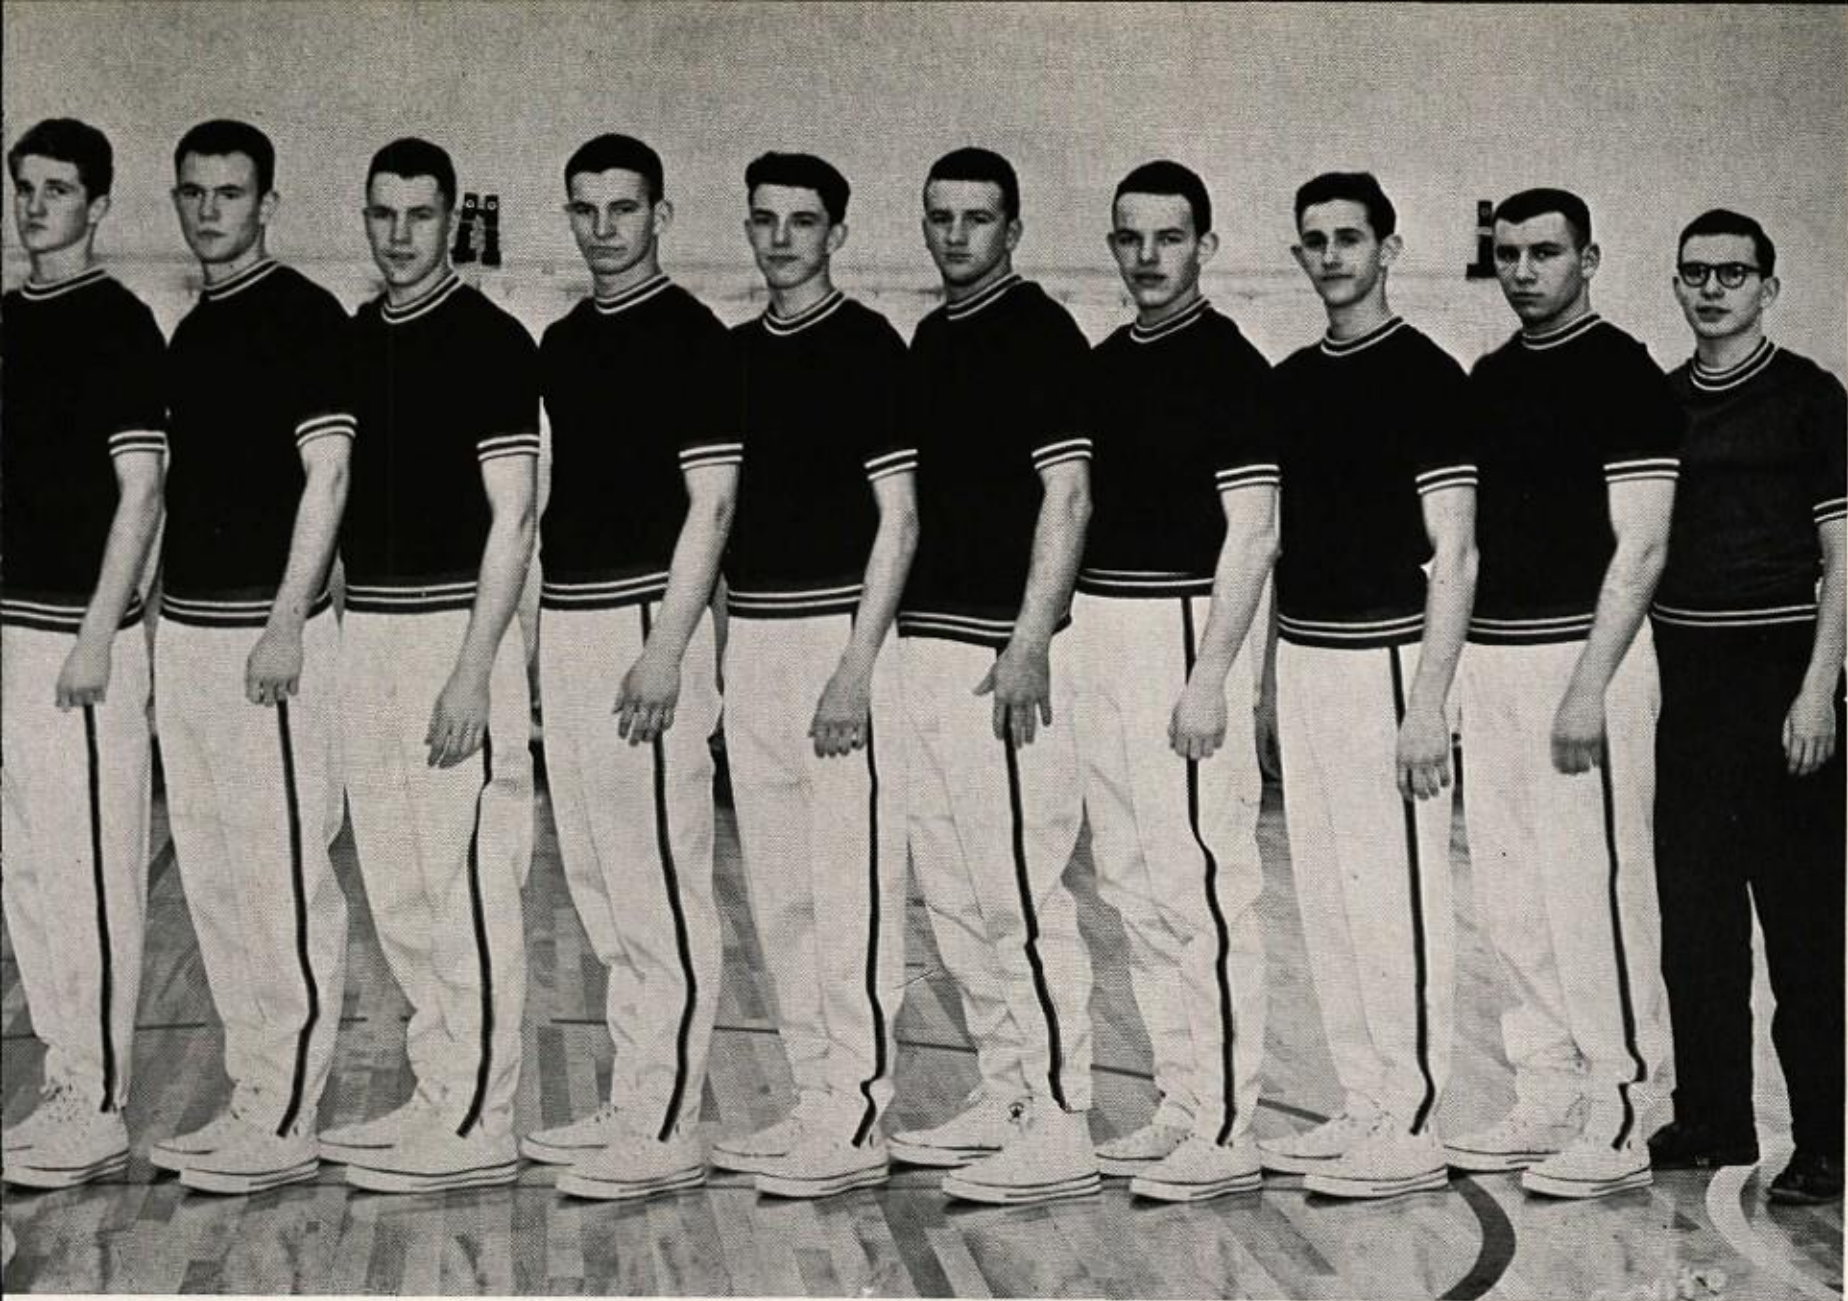

Head Coach Charles Williams, Eugene Sprow, Nick Davies, Larry Seigfried

emerged the winners. It was a great night in Shelby.

By winning the sectional the Whippets advanced to the Toledo district at University of Toledo fieldhouse. In the first game they met the sharp-shooting St. Mary's Memorial team. Shelby's outstanding team fought hard but they were defeated by the score of 75 to 66.

Local interest was at an all-time high for the team this season. Large crowds attended home games as well as those away from home. Over 2,000 fans saw the games at Marion and 1,600 journeyed over 100 miles to view the game at Toledo. The entire season was inspiring and exciting to see individual players become better game after game and the team clicking as all good teams should.

They won 19 games and lost 2—one to Defiance and one to St. Mary's. In N O L competition they won all games and became N O L champions for the second straight year.

Dave Tullis, Dave Blair, Lowell Jarrell, Joe Wildman, Tom Brown, Tom Laser, John Seltzer, Larry Baker, Tom Payne, Manager Larry Loomis.

SECTIONAL CHAMPIONS

Larry Siegfried, a talented junior, broke one record after another including the individual scoring record for an individual player. He scored 45 points in the Madison game on the local floor. He was named to the All-Ohio second team, the N O L first team, and the Sectional (Marion) first team. Nick Davies, an outstanding senior, was a stellar attraction and was named to the N O L first team and the Sectional first team. Lowell Jarrell, a terrific basketball star and a senior, was placed on the N O L second team. Larry Baker, a junior, was named to the N O L Honorable Mention listing.

Coach Charles Williams was named coach of the year in the Mansfield area for his capable leadership of an outstanding basketball team.

First Row (left to right): Paul Armstrong, Edward Kemplin, Russell Hepner, Robert Shedenhelm, Wayne Ingram, Bill Trout, Lynn Lehman, and Lynn Wright.

Second Row (left to right): Charles Zehner, Don Loveless, David Grove, Joe Bonecutter, Bill Dameron, Don Clady, Charles Thurman, and Coach Copeland.

RESERVE BASKETBALL TEAM

Fans of Shelby High had a marvelous reserve team to watch and follow throughout the 1955-1956 season. Playing before the varsity games, the reserves chalked up a perfect season of fifteen wins and no defeats and no ties. The members of the team provided a great show of thrills and outstanding sportsmanship for the many followers of the basketball team. This is the first reserve basketball team to have an undefeated season in the long annals of Shelby High history.

Although Coach Copeland was thought to be a "slave driver" at times, the extra practice proved profitable to the team and the school.

Everyone is quite proud of the "Young Whippets" and hopes the coming season will be as successful as the past one.

*Denotes four way meet

The Whippet golf team won the Northern Ohio League Championship for the fourth straight year. This N. O. L. victory completed a sweep of the athletic championships for 1955 — a feat never before accomplished in this league. They had 32 consecutive victories until Wooster broke the string. The team finished 3rd in the district meet. Larry Simpson is the only returning letterman for the 1956 season. The other members of the team have had plenty of experience and training. They will endeavor to make the championship list for golf five straight years.

G. A. A.

The members of the Girls' Athletic Association meet every Monday afternoon with prescribed teams to participate in basketball, volleyball, baseball, soccer, and other sports of their choice.

As there is a lack of transportation these "feminine whippets" can not join in interscholastic sports with other league schools.

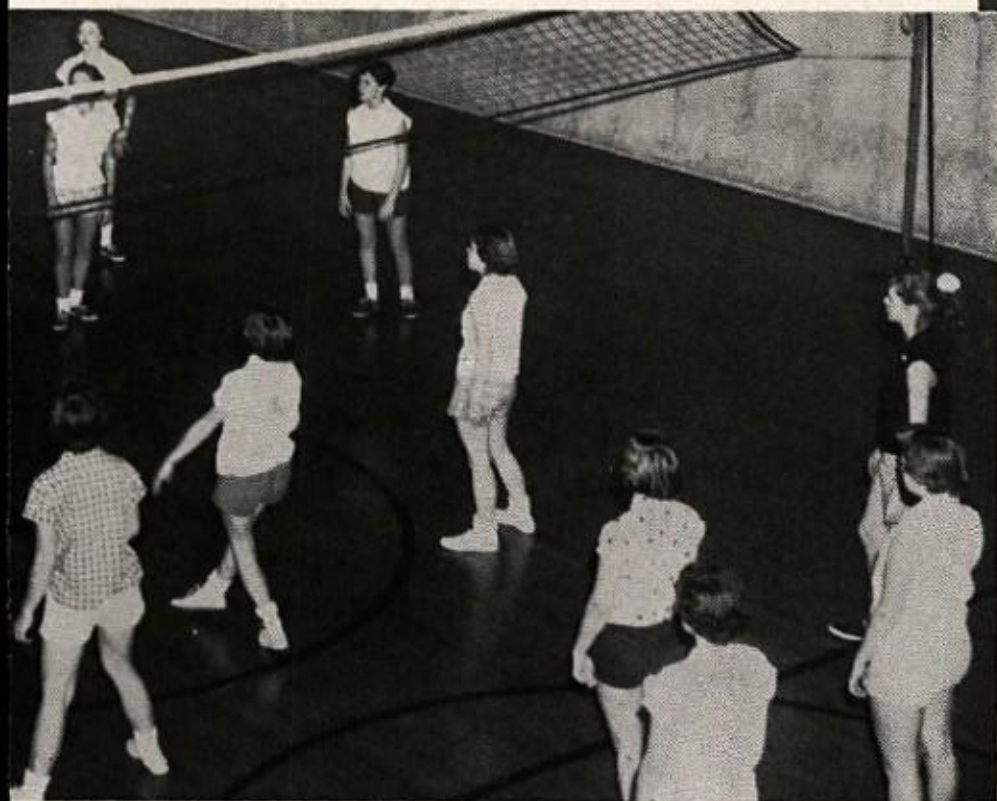

The G. A. A. has grown considerably this year because more and more girls are inter-

ested in becoming active in sports. There will be many "S" letters given to girls who have earned their required number of points.

The president of this organization is Sandra Ward, who is our most outstanding girl athlete of the season. Her right hand is June Knight, serving as Vice-President, and Charlene Smith, secretary-treasurer, point chairman, with the able assistance and supervision of Mrs. Julia Riddle as advisor.

G. A. A.

Basketball is an important sport in G. A. A. and the girls play to the best of their ability.

One of the tense moments in a game of volleyball. This team offered stiff competition for anyone "daring" to compete against them.

"Practice makes perfect" says Karen Whiteman, Mary Gray, Carolyn Nickelson, Pat Newland, and Sandy Ward.

F. H. A.

This year the Future Homemakers of America worked on new and better projects and community service.

During the year the girls participated in two county rallies, a state convention in Columbus, sent delegates to the F. H. A. summer camp, Muskingum, and held their annual popcorn ball sale, and sold Christmas corsages and earrings. Their project was to help our local hospital.

The F. H. A. girls had their annual Valentine's Dance which was a highlight of their activities.

The club has one business and one social meeting per month.

THE "S" CLUB

The "S" Club of Shelby High consists of men who have earned a varsity letter in some major athletics and have completed the rugged initiation required of them. After completing this stiff "ritual", there is no question that these players and athletes are really "men."

Under the supervision of Coach Wilkins, the club advisor, the "S" Club sponsors an annual round and square dance held in the school gym. This is a club highlight and attracts the attention of the entire student

body.

Mr. Wilkins maintains an active contact with lettermen who have graduated from the school. He keeps them informed of the various activities and individual honors earned by present-day Shelby athletes.

Membership in the club is an honor and is considered such by the individual members. The wearing of the "S" is an honor and being a member of the "S" Club is an esteem cherished by all Shelby sports-minded individuals.

Don't keep it under your new hat!

When graduates of American schools don the familiar mortarboard, they've received a public school education that's the best in the world.

Your education is designed to be used. "Keep it under your hat," and it becomes useless and stagnant except as intellectual company for yourself. Put it to work with all your might . . . and as you work you'll learn more.

Besides equipping you with the basic tools of living, America offers you the most varied and rewarding opportunities to use them to your own best advantage. Seek out these opportunities with our very best wishes for success and happiness!
